SITUATION AT PANAMA.

Consul General Gudgeon Reports It
Be Critical.

Washington, July 28.—Consul General Gudgeon at Panama has made the following report by cable to the state department of the coup d'etat at that city:

"About 10 o'clock soldiers headed by the commander in chief searched the governor's house. The governor escaped. Tried to reach the consulate, but intercepted. Took refuge at the house of an American. Streets lined with soldiers. Arrested secretary of state, chief of police and departmental employees. Department has money."

Another dispatch has been received from Mr. Gudgeon saying the governorship had been tendered to some one but it is not known to whom. He added that the situation is grave. Acting Secretary Loomis has decided to await further advices before taking action. It happens that the navy is weak on the Pacific side at this moment owing to the absence of the Pacific squadron in Alaskan waters. But in case of need either the Bancroft or the Panther on the gulf side could be speedily dispatched to Colon and a detachment of marines sent by railroad to Panama.
